JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 17. It shall be the duty of any person knowing or having knowledge of the existence of conditions in conflict with the provisions of these regulations to report the fact to the board of health of the city of Cleveland.

SEC. 18. Whoever violates or obstructs or interferes with the execution of any of the foregoing orders or willfully or illegally omits to obey such orders shall be fined any sum not exceeding \$100.

COLORADO SPRINGS, COLO.

Common Towels—Prohibited in Public Places. (Ord. Dec. 10, 1913.)

SECTION 1. That no person, firm, or corporation shall hang or place, or cause or permit to be hung or placed, any towel, or other material which could be used for the purpose of a towel, in any place in any store, building, hotel, restaurant, church, hall, factory, theater, or other public place where more than one person could use the same for said purposes, provided that this ordinance shall not apply to paper towels which are to be discarded after use by one individual, or towels of such size that they can properly be used but once, and if placed in sufficient quantity to accommodate all persons who may make use of them.

SEC. 2. Any violation of this ordinance shall be punished by a fine of not exceeding \$50.

Milk and Milk Products—Must be from Tuberculin-Tested Herds. (Ord. Dec. 17, 1913.)

SECTION 1. That section 2 of an ordinance entitled "An ordinance prohibiting the sale of milk from cows not tuberculin tested and not in bottles or original packages and only after inspection of place and permit granted," passed December 28, 1908, hereby is amended to read as follows:

"SEC. 2. No milk or skimmed milk shall be sold or offered for sale in Colorado Springs except from cows that have been tuberculin tested and passed at least once every six months by a licensed veterinary in a manner approved by the department of public health and sanitation, unless on the last previous test no tuberculosis was present in the herd or in the herds from which new cows were obtained, in which event the test may be postponed an additional six months.

"No cream, butter, or buttermilk shall be sold or offered for sale in Colorado Springs except from cows that have been tuberculin tested and passed by a licensed veterinary, as provided in the preceding paragraph, unless the cream has been pasteurized in a manner satisfactory to the department of public health and sanitation. The veterinary shall furnish the owner a certificate of health for all cows so tuberculin tested and passed by him. If any cow or cows are found to be affected with tuberculosis the veterinary shall report the fact to the State board of stock inspection commissioners, and he shall also file in writing with the department of public health and sanitation of this city, within five days after such inspection, a full report on blanks furnished by said department of the result of all such tests."

COLUMBUS, GA.

Communicable Diseases—Notification of Cases—Quarantine—School Attendance. (Ord. Mar. 5, 1913.)

That every physician, nurse, parent, or other person in charge of any patient in the city of Columbus, who is suffering with diphtheria, scarlet fever, smallpox, cerebrospinal meningitis, typhoid fever, pulmonary tuberculosis, pellagra, or trachoma, shall immediately notify the health officer after becoming aware of the existence of such diseases, giving the name of the disease, the name, age, sex, and color of the person suffering therefrom, and setting forth by street and number of the house, room, or other place in which said patient can be found.
